Introduction of AMH SSC

This is to introduce this Sector Skill Council.

The Government of India has constituted Prime Minister's ambitious skill development programme under the leadership of the National Skill Development Corporation. The NSDC mandates skill formation to develop the workforce with enhanced skill through structured programme and assessment.

Owing to the presence of widespread training centers, participated by both public and private entities, determining the quality of training rendered at different training centers is crucial to the success of skill development programme and, thus, skill assessment is essential part of skill development.

AMH SSC has been launched jointly by the Ministry of Textiles, National Skill Development Corporation and the Apparel Export Promotion Council with primary mandate of enhancing and to build a capacity in skill development. One of the salient features of the AMH SSC is designing of training programmes, based on industry demands of different segments and to ensure that all successful trainees are certified through accredited agency.

AMH SSC has been authorized by NSDC for evolving assessing proficiencies of skills of trainees for the Apparel, Made-ups and Home furnishing sectors for their respective subject areas.

The assessment is defined as a structured process in which evidence of performance is gathered and evaluated against approved QPs/NOSs, as approved by the NSDC.

Assessment is the process of evidence collection of the competence level of a person through range of method-tests, observations, interviews, assignments and professional discussions. It is further mandated that competency assessment of the candidate is being done by independent Assessing Bodies (AB), which are not involved in training delivery, to ensure an impartial assessment.

Ministry of Finance, in its Notification, dated 27thDec, 2013 has clearly described the role of the Sector Skill Councils in the NSQF guidelines. As per the said notification, SSCs have been given the mandate of developing Qualification packs (QPs) and the National Occupational Standards (NOSs) and also to provide certification and assessment support in their respective sectors.

The Ministry of Skill Development and Entrepreneurship, Govt of India has launched prestigious Pradhan Mantri Kaushal VikasYojna (PMKVY). One of the important points in the said scheme would be the compulsory purchase of handbook for each student for each job role by the concerned Training Providers. These Handbooks, containing the detailed pictorial, as well as text contents, are to be prepared by the concerned SSCs.

These Handbooks are to be prepared on the basis of National Occupational Standards (NOSs) and strictly as per the guidelines issued by the NSDC, including number of pages, fonts, page alignments etc.

AMH SSC proposes to make such Handbooks for the select Job roles.
